## How to send your photos:

Label each photo with a number (a sticker on the back works great). Place your photos, this order page, your instructions, and payment (if you are not paying with PayPal) in a strong secure box. Deliver the box in person or send to the address below. We have found the US Postal Service to usually be the most economical. UPS or FedEx will work as well.

Send to: Miriah Systems Inc., 484 Sycamore Street, Onalaska, WI 54650
